ITVX confirms that FOXTEL Original series The Twelve starring Sam Neill will get its exclusive UK debut on the streamer on 16th February.

This gripping courtroom drama tells the story of 12 ordinary Australians who are selected for jury duty in a murder trial as traumatising as it is controversial, in which a woman stands accused of killing her teenage niece.

Behind the façade of their anonymity, these twelve ordinary people bring with them their own histories. Lives that are as complex as the trial, full of fractured dreams, shameful secrets, hope, fears, personal trauma, and prejudice. Through the multiple lenses of these jurors, audiences will see the fragility and imbalances of the law, and the chaotic and flawed way we attempt to determine justice in our society.

The limited series also stars Marta Dusseldorp (Wentworth, Stateless, A Place to Call Home) and Kate Mulvany (Fighting Season, Lambs of God, Hunters).

The 10-episode crime drama commissioned by the FOXTEL Group, is produced by Warner Bros. International Television Production Australia in partnership with Easy Tiger Productions with major production investment from Screen Australia in association with FOXTEL. Financed with support from Screen NSW. The series is distributed globally by FIFTH SEASON. Executive Producers for the Foxtel Group are Brian Walsh and Penny Win.

About ITVX

Launched in late 2022, ITVX is UK's freshest streaming service, letting viewers stream new programme exclusives, with adverts, for free; ranging from premium dramas, documentaries, US series, comedy and reality shows to blockbuster films and much, much more. ITVX is the first streaming service in the UK to offer viewers the flexibility to access free content with ads and ad-free paid subscription, all in one place. Paying subscribers also have access to BritBox UK. ITVX live streams must-watch events, from live sport to Love Island, as they are broadcast on ITV's channels. ITVX also offers an ever-changing host of exclusive themed channels in line with viewer preferences and popularity; these constantly evolving pop-up channels provide a scheduled experience through a streaming service.
