Jonathan Ross: Must-Watch Films

ITVX today confirmed that Jonathan Ross will be handpicking and recommending his favourite films on the streamer each month. **Jonathan Ross: Must-Watch Films** will launch exclusively on ITVX on 14th February 2023.

The inaugural episode premiering on Valentine's day will focus on some of the greatest films to enjoy on a date night including *Mannequin* starring Sex and the City's Kim Cattrall, the unforgettable *Flashdance* starring Jennifer Beals, and *Mermaids* starring the iconic Cher.

The episode will also take you on a thrill ride through *The Fast and the Furious* film series and *Drive* starring Ryan Gosling, as well as exploring hidden gems available on ITVX including the likes of beautiful French animation *Belle Ville* *Rendez-vous* and classic screwball comedy *His Girl Friday*, starring Cary Grant. All films are available to stream for free on ITVX.

The series is being produced by Hotsauce TV and the Series Producer is Dan Wickens.

Jonathan Ross: Must-Watch Films will stream on ITVX from 14th February 2023.
