## MotoGP on ITV this Summer

- **ITV to simulcast race action from BT Sport's live MotoGP coverage from Mugello this weekend and Silverstone in August from TNT Sports.**

ITV will broadcast BT Sport's MotoGP race coverage live from Mugello this weekend and the forthcoming British Grand Prix presented by TNT Sports from the iconic Silverstone circuit this summer.

Starting this weekend with MotoGP's Italian Grand Prix, the Tissot Sprint, Moto3, Moto2 and MotoGP will all be shown live and free to air across the ITV network. Suzi Perry, Neil Hodgson, Michael Laverty, Sylvain Guintoli and the team will bring their expert commentary and analysis to ITV and BT Sport viewers.

Coverage of the MotoGP sprint race will come live from the Mugello circuit beginning at 1.30pm this Saturday [10 June] on ITV4 with Sunday's coverage, also on ITV4, starting at 9.15am and featuring live action from Moto2 and Moto3. Then from 12.30pm there will be build-up to the MotoGP race on ITV1 with the Italian Grand Prix getting underway from 1pm. All coverage will be simulcast on ITVX.

On the 4th August all eyes will turn to Silverstone for one of the highlights of the two-wheeled sporting calendar as MotoGP returns after a six-week summer break.

ITV will once again bring their viewers live race action and coverage across the weekend, presented by TNT Sports. From 18th July, TNT Sports will be the new name for BT Sport. TNT Sports will present the same exclusive live sport for fans, including MotoGP.

Full programming and coverage details for the British Grand Prix will be announced later this summer.
