New I'm A Celebrity... Get Me Out Of Here! trailer: Ant and Dec open the I'm A Celebrity 'Jungle Retreat'

Watch as hosts Ant and Dec get ready to welcome a new batch of celebrities who will, as the majestic voiceover says, 'surrender' themselves to the 'ultimate jungle experience'.

In this brand new 60-second trailer, which will premiere on ITV1 this weekend, you see the iconic duo far, far away in a tropical jungle, working for the retreat.

From making eye-catching towel art, to delicately raking the sand to presenting some 'exotic' cuisine the pair are offering the new campmates 'the full celebrity treatment' as they open the doors to the 5* (ish...) Jungle Retreat.

What happens when they check in remains to be seen...
