2nd May

Series:

The Beast Must Die (2021)

After learning the police investigation into the fatal hit and run of her young son Martie has been dropped, Frances Cairnes (Cush Jumbo) takes matters into her own hands. Posing as a novelist researching a new murder-mystery, Frances ingratiates herself with the family of George Rattery (Jared Harris), the man she suspects is responsible, and sets a plan in action to kill him. She's tracked by detective Nigel Strangeways (Billy Howle, *The Serpent, MotherFatherSon*), who has reason to believe his department covered up George's involvement in the incident. Suffering from PTSD following the recent death of his partner, Strangeways throws himself into pursuing justice for Martie. But when he discovers an "undercover" Frances living with George and his family, Strangeways finds himself working to both prove George's guilt and head off Frances's plans for revenge before anyone else dies.

Kids:

Masha and the Bear - *additional episodes*

With kindness and comedy in its heart, the show follows the adventures of a little girl Masha and her friend, The Bear.

The Disappearance of Gaby Petito

Three part true crime documentary. The disappearance of 22-year-old video blogger Gabby Petito gripped America and sparked the internet into a frenzy. For a time, she was the most famous face in the country and the most searched subject on the internet. Everyone wanted to know: Where is Gabby Petito? And what happened to her? This definitive documentary series follows the twists and turns of the investigation, telling the story of a unique 21st Century mystery. Interviews with Gabby's parents reveal the torment of being a family at the heart of such a case, while we hear from the internet sleuths who dedicated their online lives to solving her disappearance.

Series:

Colony (2016-2018)

In the not-too-distant future, Los Angeles has been invaded and occupied by outside forces, causing a rift between the city's residents; some have collaborated with the occupation, while others are rebelling and suffering the consequences that come with that choice. Former FYI agent Will Bowman (Josh Holloway) and his wife, Katie (Sarah Wayne Callies), must consider their familiar obligations when making their decision because they were separated from their son, Bram, during the invasion.

ITVX Kids:

Fairyteens

The Fairyteens animated series tells a story about five little fairies (four kids and a young mentor) who live in an ordinary human apartment. They train to control their magical powers, cope with the dangers of the world around them, and interact with each other.

Gradually, the little sorceresses learn that they are destined for an unusual and very responsible role, and the fate of the whole fairy world may depend on their actions.

23rd May

Bay of Fires is coming to ITVX from Thursday 23rd May.

Bay Of Fires tells the story of Stella (Marta Dusseldorp), who unexpectedly finds herself in a small, remote community. But it's not the kind of place they put on postcards - it is instead rife with simmering feuds, crime and sometimes, murder.

ITVX Kids:

Inspector Gadget (additional episodes)

Inspector Gadget is back and must face his old enemy, the evil Dr. Claw, who has reactivated MAD, his global crime syndicate.

Series:
