ITV2's The Cabins - first look

Simmering hot tubs, romantic crackling fires, cosy sofas... it's all here in this first look at ITV2's brand new dating show, The Cabins.

Singletons are ditching the dating apps, giving up the ghosting and casting off the catfishers in favour of spending 24-hours getting to know each other in an intimate log cabin.

Nestled in the UK, each sumptuous cabin boasts a hot tub, games, romantic outdoor seating and fully equipped kitchens to rustle up date-worthy treats.

After 24-hours together the couples must decide if they are lovestruck or lovelorn.

The Cabins is coming to ITV2 soon.
