## **Romantic comedy-drama series **One Night** available exclusively on **BritBox UK****

London, September 29th: BritBox UK today announced that unique 'real time' romantic comedy-drama series **One Night** will be available exclusively on BritBox UK from 28th October. A ten-episode series that chronicles a blind date; from 8pm to 1am the next morning, **One Night** stars Myanna Buring (*Downton Abbey*, *The Witcher*, *The Salisbury Poisonings*) and acclaimed Icelandic actor Gísli Örn Garðarsson.

**One Night** tells the story of 27-year-old Elizabeth (Buring), who works as a waitress, and Jonas (Garðarsson), a 35-year-old carpenter. Their encounter is none other than a blind date. Step by step, as they get to know each other, so do we... In the midst of this weird, awkward and moving journey through the night,

we the audience look deep into both of the characters' hearts and hopes, and we feel with them the longingness to be loved.

One Night was written and directed by Lilyhammer's Øystein Karlsen and produced by Viafilm's Anders Tangen for Norwegian public broadcaster NRK. Federation Entertainment is handling worldwide distribution for the series.

#### About BritBox

BritBox is a digital video subscription service created by the BBC and ITV. The service brings the very best in past, present and future British programming and award-winning content to viewers all in one place for £5.99 per month in HD. British TV boxsets from All 4 and British films from Film 4 are also available. The service includes high quality factual and entertainment content from Channel 5 plus original British comedies from Comedy Central UK. BritBox features the biggest collection of British content available on any streaming service, and brand new commissions for British production companies specifically created for BritBox. BritBox also offers expert curation and playlists that will enable viewers to easily find programmes they know and discover new favourites via web, mobile, tablet, connected TVs and streaming devices including Fire TV, Apple TV, Freesat & Chromecast. Content on BritBox can be downloaded and viewed offline where rights allow.
