### Love Island reveals cast of series 8

Name: Liam Llewellyn

Age: 22

From: Newport, South Wales

Occupation: Masters Student (Strength & Conditioning)

Why Love Island and why now?

I think 22 is a really nice age to meet someone, you've got your years ahead of you so you have time to experience stuff and grow together. I think Love Island is a great opportunity to meet someone, you're in with a load of different types, so

you can get to grips with what you really like about people.

How would your friends and family describe you?

If you ask my mum, probably a little s\*\*t. No, I'm a good kid, she knows that. They'd probably say quite generous, quite caring, happy, chatty, chirpy, bubbly. I wear my heart on my sleeve, I can't hide how I feel about anyone. I'm probably quite emotional as well come to think about it.

If you've got one chance to impress someone what would you do?

Pay them a compliment! The thing that girls quite like is that I'm not just like, "You're mint." I'm like, "Your eyes are piercing, I'm lost in your eyes." Or I'll say something like, "You've got nice feet" or something.
