Love Island - Ikenna Ekwonna

Love Island reveals cast of series 8

Name: Ikenna Ekwonna

Age: 23

From: Nottingham

Occupation: Pharmaceutical Sales

Why Love Island and why now?

I've only been in one past relationship but now I think I'm at the age where I could find someone.

What do you think you're going to bring to the Villa?

Hopefully, I'm going to bring spontaneity and excitement. I'm not really shy to speak to people and I don't really care too much about what people think.

Do you have a memorable dating experience?

I took my ex on holiday for her birthday. We went to Barcelona for four nights and I was pretty young then, maybe like 19-20. It was for her birthday so she didn't know about it. It was quite a lot of money to spend for that age.
