Why Love Island and why now?

Because I'm actually single for once, so I thought why not? This is the best time to give it a go.

Why do you think you're a catch? What makes you a good partner?

When I'm with someone I'm very loyal, I'm a good boyfriend as when I'm with someone I'm all for them.

Do you have a memorable dating experience?

With my ex, we went out for dinner for her birthday. I pretended that I got her absolutely nothing and she was kind of fuming. Then I whipped out that, 'We're actually going to Paris tomorrow'. She was very happy with that!
