Love Island - Afia Tonkmor

Age: 25

From: London

Occupation: Lounge Host at a Private Members Club

Why Love Island and why now?

It just seems like a once in a lifetime opportunity to meet someone, have an amazing summer, just have so much fun and have a bit of a summer romance as well.

Do you fall in love quickly or does it take you a while to get there?

I fall in love quickly, too quickly, two dates I am like, 'OMG I am obsessed with this boy, he's everything.'

[end]
